Sir:

Responsive to the Office Action of June 16, 1982, which Office Action has been made final, entry of the following Amendment and reconsideration of the application in light thereof and in light of the accompanying remarks are respectfully requested.

IN THE CLAIMS

Without prejudice cancel all claims and add the following new claims:

59  
60. In a method for stabilizing a vinyl halide polymer against heat and light which comprises incorporating a tin-containing stabilizer therein, said stabilizer comprising a mono- or diorgano- derivative of tetravalent tin where the remaining valences of the tin atom are satisfied by bonds to halogen, oxygen, phosphorus, sulfur and a residue resulting from
